

Portfolio

Aplikasi ini bertujuan sebagai website portfolio atau resume pribadi saya yang dapat memudahkan para HRD untuk membaca profil serta melihat proyek yang pernah saya kerjakan sebelumnya

The image shows a dark-themed portfolio website. At the top, there is a navigation bar with the brand name "MARMDHN." followed by links to "Home", "About", "Portfolio", and "Contact". To the right of the navigation is a "Contact me" button. Below the navigation, a large portrait of a young man with short dark hair, wearing a maroon button-down shirt, is positioned on the right side of the page. On the left side, there is a hero section featuring a large, bold title: "Halo, semuanya! Saya, M Akbar Ramadhan". Below this title is a brief bio: "Seorang fresh graduate IT dengan keahlian dalam pemrograman komputer dari program studi Teknologi Informasi IT Telkom Surabaya". Underneath the bio are social media icons for Instagram, LinkedIn, and another platform. At the bottom of the hero section is a "Download CV" button. The overall design uses a dark background with light-colored text and elements.
